

KARAN PANDRE

Business Analyst | Power BI | SQL | Python | Data Analytics | Networking

Bangalore, India | +91 96115 56402 | karanpandre3@gmail.com | linkedin.com/in/karanpandre3

PROFESSIONAL SUMMARY

B.Tech Information Technology graduate (2025) currently working at Physics Wallah, analyzing campaign performance, building dashboards, and translating business requirements into actionable insights. Gained hands-on experience configuring simulated networks, applying firewall rules, and documenting security findings through a virtual internship with Cisco Networking Academy. Familiar with SQL databases, Power BI dashboards, and Python scripting through project work and professional experience. A quick learner with a problem solving mindset, eager to grow in data analytics and business intelligence.

TECHNICAL SKILLS

Reporting & BI: Power BI (DAX, Slicers, Drill-throughs, KPI Dashboards), MS Excel (PivotTables, Power Query, VLOOKUP, Charts)
Databases & SQL: MySQL, MS SQL Server | Joins, Subqueries, Aggregations, Window Functions
Programming: Python (Pandas, NumPy, Matplotlib, Seaborn) | Data Cleaning, Automation Scripts, EDA
Productivity & AI Tools: ChatGPT, Google Gemini, Microsoft Copilot, GitHub Copilot, Prompt Engineering
OS & Hardware: Windows (Admin & Desktop Support), Linux.
Networking & Security: TCP/IP, DNS, OSI Model, Cisco Packet Tracer.

WORK EXPERIENCE

Senior Associate | Physics Wallah, Bangalore Apr 2025 | Present
Collaborate with academic, counselling, and sales teams to ensure seamless execution of marketing initiatives and achievement of enrolment targets.
Analyze campaign performance, lead conversion metrics, and market trends to optimize marketing strategies and improve ROI.
Mentor and support team members in lead management, communication strategies, and marketing execution to improve overall team performance.
Manage end-to-end marketing campaigns, including lead generation, follow-ups, conversion tracking, and stakeholder engagement, contributing to increased admissions and revenue growth.
Conducted market research and competitor analysis to identify growth opportunities, optimize marketing strategies, and strengthen regional market presence.

Data Analyst intern | Infosys (Remote) Sep 2024 | Feb 2025
Analyzed and transformed structured datasets using SQL, Excel, and Power BI to generate actionable business insights.
Designed interactive dashboards and automated reports to monitor KPIs, identify trends, and support data-driven decision-making.
Performed data cleaning, validation, and visualization to improve data quality and deliver accurate analytical reports.

Cybersecurity Virtual Intern | Cisco Networking Academy (Remote) May 2024 | Jul 2024
Configured and secured simulated networks in Cisco Packet Tracer | applied firewall rules, VLAN segmentation, and access control policies across structured lab exercises.
Performed vulnerability assessments on simulated environments; submitted a structured security findings report with risk ratings and remediation recommendations.

PROJECTS

Marketing Campaign Performance Dashboard | Power BI | Python | SQL | MS Excel
Designed a Power BI dashboard with DAX measures, slicers, and drill-throughs to track 5 campaign KPIs | CTR, conversions, ROI, reach, and engagement | in a single view.
Cleaned and analyzed data using Python (Pandas); wrote SQL queries for segmentation; created Excel summaries using PivotTables and Power Query for stakeholder reporting.

Campus Network Security Assessment | Cisco Packet Tracer | Network Analysis | Log Analysis
Mapped a simulated university network topology; identified 3 critical vulnerabilities including open ports, missing VLAN segmentation, and weak access controls.
Performed log analysis to detect threats; produced a structured findings report with risk ratings and firewall/segmentation improvement recommendations.

EDUCATION

B.Tech | Information Technology | Alliance University, Bangalore 2021 | 2025 | CGPA: 7.7 / 10.0

CERTIFICATIONS

Microsoft Power BI | Infosys Springboard (2025)
Data Analytics Foundations | LinkedIn Learning (2024)
Python for Data Science | LinkedIn Learning (2024)
Cybersecurity Essentials | Cisco Networking Academy (2024)
Foundations of Cybersecurity | Google Career Certificates / Coursera (2024)
